What happens next

- › Reply to accept, and I'll send a deposit invoice for 50%.
- › The other 50% is due on completion, before the site goes live.
- › Two rounds of revisions are included. Timeline is usually 2–3 weeks once I have your content.

A note on yearly running costs (paid to others, not me)

- › Domain (.co.za): ~R150–R300 / year, in your name.
- › Hosting: often R0 / year at your size — if a paid plan is ever needed I'll tell you the exact figure first.
